

★ Y3 Autumn 1 Curriculum Overview ★

Reading

This half term we will be reading the Iron Man by Ted Hughes during our reading sessions.

We will also be completing some reading comprehension activities linked to our science work.

Writing

This half term we will be focusing on securing our punctuation and grammar knowledge.

Following this we will be completing a non-chronological report.

Maths

This half term we will be completing work on place value and addition and subtraction.

We will also be working on our times table knowledge using Times Table Rockstars to support us with this.

Science

This half term we will be learning about light in science. We will be completing written activities as well as practical investigations. We will also learn about Thomas Edison and his contributions to the discovery of light.

Geography / History

We will be starting with some Geography work this half term learning about the United Kingdom.

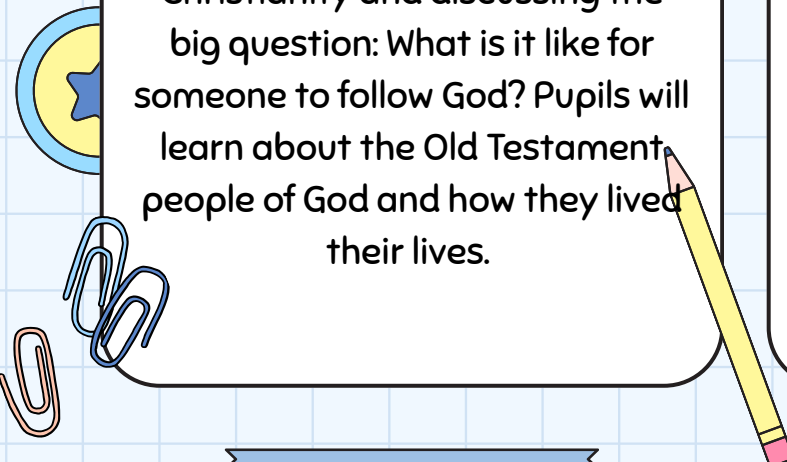

After, we will move on to some history work learning about Ancient Egypt.

Art / DT

During Art, children will develop their drawing skills and learn how to observe and draw the features of a face focussing on how lines and shapes help us draw realistic facial features.

★ Y3 Autumn 1 Curriculum Overview ★

R.E

In R.E, we will be focussing on Christianity and discussing the big question: What is it like for someone to follow God? Pupils will learn about the Old Testament people of God and how they lived their lives.

Computing

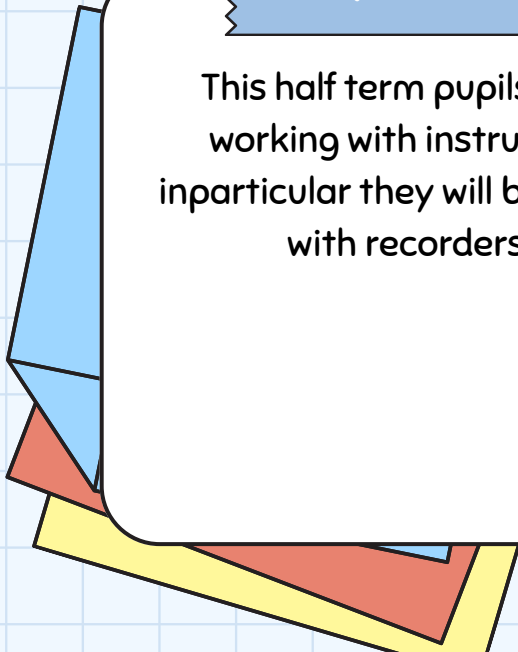

During computing, we will be exploring digital devices, with an initial focus on inputs, processes, and outputs. Pupils will be introduced to computer networks, including devices that make up a network infrastructure and the benefits of connecting devices in a network.

PSHE

In PSHE, this half term we will be focussing on relationships. This will include learning about clear message, listening and responding and friendships.

Misc

This half term pupils will be working with instruments, in particular they will be working with recorders.

French

In French, Y3 will be exploring how to greet others, learning to say how they are, learning how to ask and answer questions, learn about how French is spoken in France and other place around the world and they'll discuss linguistic diversity within the class.

P.E

This half term we will be focussing on Rugby in our p.e lessons.

We will also be doing some work on long distance running in preparation for the Cross Country event that will be taking place.
