Y3 Aumtumn 2 Curriculum Overview

Reading

This half term we will be reading The Great Chocoplot by Chris Callaghan during our reading sessions.

We will also be completing some reading comprehension activities linked to our science work.

Writing

This half term we will be focusing on using our new punctuation and grammar knowledge to help us with a variety of written pieces including a non-chronological report and a recount.

Maths

This half term we will be completing work on addition and subtraction and Multiplication and Division.

We will also be working on our times table knowledge using Times Table Rockstars to support us with this.

Science

This half term we will be learning about Animals including Humans in science. We will be completing written activities as well as practical investigations. We will also learn about

Geography / History

We will be continuing with our Geography work this half term learning about the United Kingdom.

After, we will move on to some history work learning about Ancient Egypt.

Art / DT

This half term we will learn what illustration is and explore how illustrations are used to help people understand ideas, stories and information. Children will develop their painting skills by learning how to use watercolour paints and how they differ from acrylic paint as a medium.

Y3 Aumtumn 1 Curriculum Overview

R.E

In R.E, we will be focussing on Christianity and discussing the big question: What is the Trinity and why is it important for Christians? Pupils will find out about the baptism of Jesus, where this is found in the Bible and they will study the text to find out about what it means for Christians today.

Computing

During computing, pupils will explore a range of techniques to create a stop-frame animation. They will have the opportunity to apply their skills by creating a story-based animation and will get the opportunity to extend these by adding other types of media such as music and text.

PSHE

In PSHE, this half term we will be focussing on our health and well-being, in particular healthy lifestyles. This will include defining the word healthy and how we can keep ourselves physically and mentally healthy. Making the right choices to keep us healthy and the importance of sleep.

Muisc

This half term pupils will be focussing on one song: Let Your Spirit Fly. Pupils will have the opportunity to listen to and appraise songs, some musical warm up games and the opportunity to perform the song Let Your Spirit Fly.

French

In French, Y3 will be learning how to say different colours in French and learning about different games that are played in France.

P.E

This half term we will be focussing on Health Related Exercise in our p.e lessons.

We will also be doing some work in preparation for our upcoming cup stacking event.
