Year 5 Autumn 2 curriculum plan

LAYFIELD PRIMARY SCHOOL

English

In our English VIPERS lessons we will are continuing to read Cosmic by Frank Cottrell-Boyce. This science-fiction adventure book sees a boy and his friend journey into space.
We will use the book to inspire fiction and non-fiction writing.

Maths

This term we will cover the following topics in Maths:
Multiplication and Division (Multiples, factors, primes, square and cube numbers)
Fractions - Equivalent, improper, mixed, comparing & ordering and adding fractions)

Science

In Science this half term, we will be learning about the Earth and the Solar System. We will research the planets and consider the Sun and the Moon

History

Within our History lessons we will look at the Viking invasion and settlement in England and how this affected the North-East of England.

PE

We will be participating in gymnastics activities in the hall and completing health related exercises to improve cardio, strength and flexibility.

MUSIC

In our Music lessons, we will learn songs from different eras/cultures

Year 5 Autumn curriculum plan

Computing

In our computing work, we will be using programmes on the ipad to help us to capture, edit and sequence videos.

French

We will learn about festivities and traditions in France and compare to this country.

RE

In our RE work we will be learning about the religion of Islam and we will consider different symbols, place of worship and traditions.

PSHE

We will be learning about healthy lifestyles, nutrition & food, hygiene and keeping safe.

DT

Within DT lessons we will be planning and creating a wall hanging to link with our Science work.

Homework

You will receive homework in English and
Maths this year and homework will go out each Friday to be returned by the following Friday.
